

LEADERSHIP HANCOCK COUNTY
ONE COURTHOUSE PLAZA, GREENFIELD, IN 46140

Members of each Leadership Hancock County class complete community projects to better understand their role as community leaders while helping local nonprofits. The community project offers a unique opportunity to involve emerging leaders in initiatives critical to organizations such as yours. Their talents, skills and professional experience can be of immense benefit to the nonprofits they are partnered with and the experience offers the class a chance to gain a greater understanding and appreciation for community involvement.

We invite your organization to submit a project for consideration for the 2018-19 Leadership class. If you would like to participate, you must complete the attached request for proposal (RFP). Projects should be short term in their scope (October-April) so LHC participants can complete their project prior to their graduation in early May 2019. **Proposals must be submitted by Sept. 7, 2018.** Proposals will be accepted via e-mail or regular mail at the address listed at the top of this letter. The proposals will be reviewed by members of the Leadership board of directors, and two or more proposals will be selected for completion by the class. If your organization's proposal is selected, a representative of your organization will be expected to meet with this year's class on Wednesday, Oct. 3, to discuss the project.

If you have any questions about a potential proposal, feel free to contact me or our coordinator, Dave Hill. We look forward to hearing from you.

Sincerely,

Andrea Mallory, President
Leadership Hancock County Board of Directors
